Headteacher: Mr R Whitehead

16th March 2022

11-20 March
**British
Science
Week
2022**

Dear Year 4 Parents and Carers,

As you may know, this week is British Science Week. British Science Week is a ten-day celebration of science, technology, engineering and maths that will take place between 11-20 March 2022.

We have been fortunate to have been provided with some Primary Science in a Box packs to distribute to Year 4, funded by the Bradford Opportunity Area. These packs contain all the equipment that your child will need to carry out five different exciting experiments at home. Whilst most of the activities should be achievable independently, please ensure children are supervised as they carry out their investigations.

It would be fantastic to see what you discover. Please feel free to tag us in any tweets @spsprimary.

Kind regards,

Mr Breeze

Year 4 Teacher

Subject Leader - Science
