This week's 'Talk at Home' topics

The UK government's culture secretary, Lisa Nandy, has written to video-sharing platforms, such as YouTube and TikTok, asking them to actively share more educational content for children. Nandy stated that while YouTube has improved children's content on its platform, it is not doing enough to make sure the content is easily seen by children.

Should YouTube have more restrictions for children?

I think the rules for my online use should be....

I think that...

I believe that...

In my opinion...

Some people may argue that..., however...

On the one hand...but...

I am convinced that...
