OUR LEARNING JOURNEY

Dear Parents and Carers,

As part of Year Two's topic this half term, Up In The Air!, we have arranged for the Yorkshire Air Ambulance to bring their promotional vehicle to visit the children on the afternoon of **Tuesday 9th November**.

The team will be delivering a presentation to explain the nature of the work they do, providing activities for the children to complete, taking questions and allowing the children to visit their imitation cockpit. They will also be bringing along merchandise for the children to purchase, such as stationery and fridge magnets. If you would like your child to have the opportunity to buy something, please send up to **£1** in cash in a named envelope on the day.

As the Yorkshire Air Ambulance is a charity, there are two ways we'd like to support their work:

- On **Monday 8th November**, the Year Two children are going to host a **bun sale** for pupils in other year groups. Please could your family donate a small number (up to twelve) of buns to sell. The children do not need to bring money to buy buns – we will ensure they all get to try one! *Please ensure the buns do not contain any traces of nuts as we are a nut-free school.*
- On **Tuesday 9th November**, please send a piece of pre-loved adults or children's clothing for the charity to use to raise funds.

We are confident the visit will be a highly valuable and interesting visit for the children in the context of flight but also in the importance of the work the charity does to save lives across our region. If you would like to know more, please visit their website:

<https://www.yorkshireairambulance.org.uk/>

We thank you in anticipation of your support.

Kind regards,

Mrs Shillaker, Miss Woolley and Mrs Akhtar
Year Two Teachers
